

Minnesota Baseball Tournaments

2018 MBT Qualifiers

Rules and Regulations

Read Carefully and Thoroughly

This is a list of rules and regulations that will be in effect for the MBT Qualifying Baseball Tournaments. The 2018 NFHS Guide book overrules this handout in case of any conflicting information. Any situations that are not covered by the NFHS, MSHL or by MBT rule modifications will be determined by the Tournament Director and Umpire in Chief.

ELIGIBILITY

COACHES

Every coach that is part of the team will need a concussion certificate. Each Tournament Director will be responsible for checking a copy of the concussion certificates from every coach on a team prior to the team's first game of the tournament.

(Coaches should keep this concussion certificate with the player's birth certificates). Coaches who do not complete the training course or do not have a copy of the certificate will be ineligible to coach.

PLAYERS

Players must participate on the team nearest to where they reside or nearest to where they attend school. Exception: Any player who has obtained a waiver through the Minnesota Baseball Tournaments & Metro Baseball League will be allowed to participate with his current team no matter where he resides or attends school.

LEVELS OF PLAY

1. In order to encourage the development and expansion of baseball within the state and to provide for uniformity of competition for the purpose of obtaining these goals, MBT shall be divided into three competitive levels as herein provided. The policy of MBT is that all associations must have an "AAA" team to have an "AA" team unless they petition MBT for an exception. It shall be the responsibility of each association to maintain the integrity of each level within their own association and to properly classify their teams.

"AAA" -The highest competitive level and every association shall have the right to enter teams in the AAA level.

"AA"- The intermediate level, primarily intended to provide a uniform competitive experience for communities that are not able to compete at the AAA level or communities that already have teams at the AAA level. (1)

"A"- Offered for 10-15 only. The intermediate level essentially designed to be a developmental league to provide a competitive experience until they are ready to advance to a higher competitive level. The 14's and 15's are combined at this level.

B. Interlevel Play - There shall be no interlevel play between "AAA", "AA", and "A" levels.

TEAMS

MBT is a community-based program. Players are eligible to participate on teams from the community in which they live with their parent(s) or legal guardian, or their school attendance area. In some cases a "natural baseball community" exists which may be a combination of nearby communities based on high school attendance area. However, this is NOT intended to allow all-star or recruited teams to be formed. The MBL Board of Directors reserves the right to rule on any questionable situations. (Teams that do not play in the MBL or GSBL must obtain a waiver through MBT to play in any MBT Tournaments).

All teams must be from a recognized bona fide baseball association or accepted school program to participate. The MBL Baseball Board of Advisors reserves the right to review and rule on the eligibility of any team.

Players must try out and compete with the travel association within the community where they reside or for the school they attend.

If a player attends a private school in another community, the option is for that player to play for that school's summer program. e.g.- if a player lives in 'Pipestone' and attends school at 'Holy Angels' then the player would be eligible to play for either Pipestone's or Holy Angels Summer Program (All players on the private school team must attend the private school).

Intact teams only. No ALL-STAR Teams allowed. In order to participate in a MBT event, you must compete with the roster submitted for league play. Teams are allowed to pick up three players from their local association as long as they are of the same age or younger and play at the same or lesser level. Example: Class AA teams may not pick up players from Class AAA of any age. *This will not affect the players to play for their other team.*

No Renegade Teams, All-Star Teams or Club Teams. Definition: A renegade/All-Star team is defined as any team that is comprised of players who all reside in the same community or attend the same school, but who have chosen to bypass the local traveling association to form a team. It is also defined as any team that is comprised of players from multiple communities where recognized youth associations exist.

ROSTERS

Roster limit is 18 players. Teams gaining entry to the state tournament through tournament qualifier play or league play must utilize the team roster, which was used at the qualifier or for league play. If qualifier rules permitted less than 18 players, players may be added provided they meet the designated eligibility requirements. *If a team needed to add up to three players to their qualifying tournament roster (MBT Rule under "Teams" on page 2), they do not need to add these players to their state tournament roster.*

A properly completed Tournament Roster must be hand carried to the tournament site. Any team with an improperly completed roster shall be with held from competition. Once the roster has been submitted at tournament headquarters it may not be amended in any way. MBT roster limit is 18.

The roster must include the residence or school address, which qualifies each team member as eligible for the Tournament. Players claiming eligibility through school attendance shall provide the schools address. Players claiming residence through their residence shall provide their home address.

Each player appearing on the Tournament roster must have in their possession (to be presented at team check-in) a copy of one of the following to verify their age and birth date: Birth Certificate, Computer Printout from School Showing Birth Date, Drivers License/Permit, Certificate of Age from Church on Letterhead, Valid Passport, Certification of Age on Letterhead Signed by a Superintendent/Principal/Attendance Officer, Hospital Certificate of Birth, School Issued I.D. Which Includes Birth Date, Baptismal Certificate.

Players must be prepared to prove their age upon the request of a Tournament Representative. Any team found to have used an ineligible player will be immediately disqualified from competition. The Tournament Director reserves the right to investigate eligibility matters at any time, including after the event.

MBT PLAYING RULES

National Federation of High School rules shall govern play, except where modified in this booklet. These rules will be used at the MBT State Qualifying Tournaments.

1. The official schedule is the bracket board posted at tournament headquarters. It is the team's responsibility to be aware of any changes and to be in the right place at the right time.
2. Responsible adults must supervise teams at all times, on and off the field.
3. Home team shall be determined by a coin toss before every game.
4. A 10-minute grace period will be allowed for a team's first game before a forfeit is declared. Game time is forfeit time for all remaining games. A team that is a NO SHOW for their first game has one hour to contact the tournament director regarding the status of their remaining pool play games. If no contact is made within one hour, that team's games will be declared forfeits.

5. **Forfeits:** Tournament officials will administer the rule so that any team that intentionally causes a forfeit will NOT benefit and will NOT advance to the championship round unless the Tournament Committee determines there were extenuating circumstances causing the forfeit.
6. **If a team is disqualified from the tournament, it only affects the results of their last game.**
7. **A 10 run rule is in effect throughout the entire tournament. For 9U, 10U, 11U & 12U, games will end at the conclusion of 3 ½ innings (home team) or 4 innings (visiting team) if the score differential is 10 runs or greater. For 13U, 14U & 15U, games will end at the conclusion of 4 ½ innings (home team) or 5 innings (visiting team) if the score differential is 10 runs or greater.**
8. **Pitching / Base Distances:**

AGE	PITCHING DISTANCE	BASE PATHS
9 & 10	45-46 ft.	60 ft.
11	45-46 ft.	65 ft.
12	52-54 ft.	75-80 ft.
13	52-54 ft.	75-80 ft.
14 & Up	60.5 ft.	90 ft.

9. **Base Running Rules: (Head first sliding is permitted at any base at any time).**

9U & 10U: Stealing is permitted however a runner may not leave the base until the ball crosses home plate. If the runner leaves early a dead ball is declared and the runner in violation is out.

Dropped 3rd strike – Batter is out, runners may advance at their own risk, and ball is live.

11 – U: Stealing is permitted; however a runner may not leave the base until the ball leaves the pitchers hand. If the runner leaves early a dead ball is declared and the runner in violation is declared out.

Dropped 3rd strike – batter is out, runner(s) may advance at their own risk – ball is live.

12 – 15 U: High school rules apply to leading off, stealing, dropped 3rd strike, etc.

10. **9, 10, 11, 12, 13, 14-U & 14/15 age** must use free substitution and must bat entire bench.

15U: High school rules regarding designated hitter and re-entry. The NFHS rules states for starting players: Any of the starting players may withdraw and re-enter once, including a player, who was the designated hitter, provided said player occupies the same position in the batting order whenever they are in the lineup. A substitute who is withdrawn may not re-enter. (See MBT Exception on next page).

MBT Exception: Replacement of injured players and/or courtesy runners. If an active player sustains an injury that requires them to leave the game and their team has used all of their available substitute players, the coach may substitute for the injured player with the first player on the bench who had previously lost their eligibility via the re-entry rule.

11. 9-14U & 14/15 age – A courtesy runner will be allowed for the current catcher anytime. This means the catcher must be the catcher of record before and after the at bat. The courtesy runner will be the last player that made an out. The player that is run for must catch the next inning.

15U – A courtesy runner will be allowed for the current catcher anytime. Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners until all players have participated. If all players have participated, then the courtesy runner will be the last player that made an out. The player that is run for must catch the next inning.

12. Teams must start the game with 9 players. If due to injury or illness, a team may finish a game with 8 players. A team reduced to less than 9 players due to an ejection shall be disqualified.

13. 15 age: If a team goes down to 8 players due to an injury, then that batting spot is an out each time it comes up.

14. 9-14 & 14/15 age: If a player comes late to a game or leaves early, in a round robin batting order you close the batting order up (eliminate the batting spot if player left) or for the player coming late you open up the batting order (add the batting spot at the bottom of the order). If a player is injured during the game you close the batting order up (eliminate his batting spot). It is not an out when his spot comes up to bat. If a player is ejected in a 9-14 year old game then that batting spot is an out each time it comes up. If a batter gets hurt during his at-bat, then the next batter in order will assume his count.

15. Pool Play Game Length / Time Limits:

9 – 12 – U 6 innings/1 hour 45 minute time limit. No new inning shall begin after 1 hour and 45 minutes.

13 – 15 – U: 7 innings/2 hour time limit. No new inning shall begin after 2 hours.

****In Pool Play games, if the score is tied at the end of regulation and the time limit has not expired, the game shall continue. Games may end in a tie in pool play once the time limit is reached. When the time limit is reached after an inning has started, the game will end immediately if the home team is ahead or scores the go ahead run in the bottom half of the inning or when the inning is completed.****

****There is no time limit in bracket play. ****

16. Only players listed on the Tournament roster may occupy the team bench. One batboy and one scorekeeper may occupy the bench in addition to 3 team coaches. The tournament director reserves the right to limit the number of coaches per team.

Pitching Restrictions

9U & 10U, **Any pitcher may re-enter a game as a pitcher as long as they have not been removed by rule. **
Only pitches thrown to a batter count toward the pitch count.

75 Maximum Pitches per day

115 Maximum Pitches per tournament

85 Maximum Pitches per day

15-U, **High School Rules will apply.
**** Only pitches thrown to a batter count toward the pitch count.**

95 Maximum Pitches per day

135 Maximum Pitches per tournament

***For all ages: If a player reaches their number of allowed pitches during an at-bat, they may finish pitching to that batter but then must immediately be removed from the pitching position.**

****Only pitches thrown to a batter count toward the pitch count.**

The coach for each team must sign the scorecard at the conclusion of the game, to verify the score of the game and also the pitch count for each pitcher.

Tracking Pitches:

1) Each team must designate an adult who is responsible to track the pitches for their team. Each team should track the pitches for both their team and their opponent.

2) After each inning those responsible for tracking pitches will confirm the number of pitches for that inning with the umpire. Any discrepancies need to be worked out at that time. If a dispute cannot be resolved the number calculated by the home team will stand as the official number. Once the next inning has begun, the numbers from the previous inning are final.

3) After the game, each team must verify with the opposing team and umpire the final score of the game and the total pitch count for each player. The umpire will then write the totals on his official scorecard. At this time, each coach must verify the scorecard and then sign it. The umpire will then hand it in to a Tournament Official who will update the scores of each game and a running total of the pitch counts throughout the tournament at the Tournament Head Quarters only.

VIOLATION of the pitching restrictions will result in the Head Coach being ejected for the remainder of the tournament (See Ejection Rule #20 below). The team will forfeit the game of infraction. The pitcher in violation of rule will be ejected for their team's next game, and he is also prohibited from pitching the rest of the tournament.

Pitching Rubber: Occasionally on a youth field there are multiple pitching rubbers for different ages, baseball-softball, etc. The Host will do everything they can to verify the proper rubber has been exposed. However, through dragging or raking the proper rubber may have been covered and the improper one exposed. It will be the responsibility of the pitcher and coaches to verify the rubber is right. If there is any question prior to or during the game the Umpire can verify distance. From the point the rubber is verified the umpire will make the change to the proper pitching rubber and continue the game. There will be no redoing of any batter, pitches or innings to that point.

17. Trips to the Mound:

Two trips to the mound are allowed PER PITCHER, PER GAME for 9, 10, 11, 12, 13, 14 & 14/15 age groups. On the second trip the pitcher must be removed from the pitcher position for the remainder of the game, (This is also considered "removed by rule"). High school rules will apply for the 15U age group.

18. Legal Pitches:

For 9, 10 & 11-U the following pitches are legal, fastballs, straight change-ups, palm balls and knuckle balls. All other pitches, including but not limited to curve balls, knuckle curves, sliders, etc. shall be considered illegal. 1st offense – warning; 2nd offense pitcher and head coach are disqualified for the remainder of that game. High school rules will apply for 12, 13, 14 & 15-U age groups.

19. Balks:

A balk may not be called in the 9, 10 & 11-U age groups unless the umpire judges the pitcher is being intentionally deceptive. A fake pitch will be considered a balk resulting in a dead ball with all runners advancing one base. High school rules will apply for 12, 13, 14 & 15-U age groups.

20. EJECTIONS:

Any coach, parent or spectator ejected from a game will be suspended for the remainder of the tournament. These individuals may not be within 200 of the team bench through out the remainder of the tournament. Any player ejected from a game will be suspended for the remainder of that game plus the next game. If the suspended party negatively affects the tournament in any way, they will be removed from the facility and may not set foot on any MBT Tournament facility for the remainder of the weekend. If the individual(s) refuses to leave promptly and orderly the police will be called. It is possible for the individual/team to face additional penalties regarding future MBT participation.

21. In the event of inclement weather (or for any other reason) during the tournament, the Tournament Director reserves the right to do whatever necessary to complete the tournament, including but not limiting to the changing of the tournament format, shortening games, etc. The decision of the tournament director is final.

22. If the temperatures become extreme the Umpires and Coaches will be advised to use reasonable judgment regarding heat and water breaks. We will recommend taking a few extra minutes after the 3rd or 4th inning for cool down/water break. This timeout will not affect the regulation game time limits and the umpire should tell you what the new game ending time is after the break.

23. No protests allowed. All disputes will be handled on the field.

"POOL PLAY TIE BREAKER METHODS" are on the next page

24. POOL PLAY TIE BREAKER METHODS:

1. Won-Loss-Tie Record
2. Head to head
3. Least number of runs allowed against tied teams
4. Run differential against tied teams (maximum plus or minus 10 run)
5. Least number of runs allowed in total pool play
6. Run differential in total pool play (maximum plus or minus 10 run)
7. Coin toss

If 2 teams are tied above after tie breaker #2, and the tied teams innings were not equal due to weather shortened games (games shortened due to the 10 run rule are counted as full games), you then will figure out "Runs Allowed per Inning" against tied teams for tie breaker #3 & (if needed) #5.

Win = 2 points

Loss = 0 points

Tie = 1 point

If more than 2 teams are tied, please use examples below:

Example #1: If no teams are tied AFTER applying tie breaker #3 as in Team A = 8 runs allowed, Team B = 10 runs allowed, Team C = 11 runs allowed. Then Team A is a #1 seed in the pool, Team B is #2, and Team C is #3.

Example #2: If two teams are tied AFTER applying the tie breaker #3 and determining the #1 Seed as in Team A = 8 runs allowed, Team B = 12 runs allowed, Team C = 12 runs allowed. Thus team A is #1 seed and the #2 seed is determined by the head to head between Team B and Team C.

Example #3: If two teams are still tied AFTER applying the tie breaker #3 and determining the #3 Seed as in Team A = 11 runs allowed Team B = 10 runs allowed Team C = 10 runs allowed. Thus team A is #3 seed and the #1 seed is determined by the head to head between Team B and Team C.

Only use the following if more than 2 teams are tied, and the tied teams innings were not equal due to shortened games (games shortened due to the 10 run rule are counted as full games), you then will figure out "Runs Allowed per Inning". Please use examples below:

Example 4:

Team A played 12 innings and gave up 7 runs = 0.583 runs allowed per inning. ($7 \div 12 = 0.583$)

Team B played 11 innings and gave up 6 runs = 0.636 runs allowed per inning. ($6 \div 11 = 0.545$)

Team C played 11 innings and gave up 9 runs = 0.818 runs allowed per inning. ($9 \div 11 = 0.818$)

Thus Team B is the #1 seed, Team A is the #2 seed, and Team C is the #3 seed.

Example 5:

Team A played 12 innings and gave up 7 runs = 0.583 runs allowed per inning. ($7 \div 12 = 0.583$)

Team B played 12 innings and gave up 7 runs = 0.583 runs allowed per inning. ($7 \div 12 = 0.583$)

Team C played 11 innings and gave up 9 runs = 0.818 runs allowed per inning. ($9 \div 11 = 0.818$)

Thus team C is #3 seed and the #1 seed is determined by the head to head between Team A and Team B.
