

2021 MBL Fall League Registration Help

If you are a coach and want to register a team:

Please email Todd Scharber tscharber@mbi.bz with the following information and he will create a team for you on the website.

It would be very helpful if you made the subject line: Fall Baseball - Team Name - Age of team

- 1) Age you are going to play at.** (This is the age you would be playing at during the 2022 summer season or the age of your players as of 4/30/2022).
- 2) Name of your team.** (Fall League is not community based and you can have players from different cities on your roster).
- 3) Name, birth date, email address and mobile phone number of the head coach.**
- 4) Level of play AAA, AA, A or in-house.** (All players do not have to be the same level, just want an idea of levels for scheduling purposes).
- 5) If you are going to be a host team, please let me know what field you are able to obtain for all 5 weeks of the season.**

You don't have to have a full roster to register a team. You just need a coach and we can fill out your roster with individual registrations.

After we have created your team will receive an email with instructions on how to fill out your roster.

[Adding players to your team](#)

If you want to sign up as an individual, please follow the link below for instructions:

[How to Register an Individual Player](#)

If want to sign up as an individual player, but want to be teamed up with other specific players, please follow individual roster instructions and put the names of the players you want grouped together in special instructions.
