

# 2021 MBL Fall league individual registration information

**Registration is July 2<sup>nd</sup> - August 14<sup>th</sup>.**

**When you sign up as an individual for Fall League please list any team or player names you want to play with in special instructions.**

**We will be playing with next summer's rules. So whatever your child's age is on 4/30/2022, is the age level he/she will be playing at.**

**Please select playing level based on what your child played at this summer. This is just a tool to help place your child with players of similar ability.**

**MBL Fall League price is \$115 for individual registrations, players play 10 games (weather permitting). They also receive a hat and a jersey.**

**Fall League schedule is 5 Sunday's 9/12/21 – 10/10/21. They will play a doubleheader each Sunday. Game times are at 10am, 12pm, 2pm and 4pm. Your child's game times will vary from week to week.**

**The location of the games is currently unknown, it will depend on which teams were able to acquire a home field. The non-host teams will travel to those fields. Generally fields are in South Metro. Here are some of the many cities that seem to have host fields every year. Lakeville, Prior Lake, Bloomington, Eagan, Shakopee, Eden Prairie, Hastings, Red Wing, Northfield, Minnetonka, Woodbury, Mpls, West St. Paul, Burnsville, Hudson, and more. You will travel to a different location each week.**

**Players will be placed on teams that need additional players. We try to place players as geographically close as possible to their residence. It's hard for us to know what team your child will be placed on until registration is over.**

**Practices are up to the individual coaches, generally you would probably have a maximum of one practice a week.**

**You will receive an email when you are placed on a team. The majority of individual registration will get placed on a team probably in the 3<sup>rd</sup> or 4<sup>th</sup> week of August. Your coach will reach out to you some time after that.**

**We do not need your child's shirt size. Jerseys are grouped with a mix of sizes for that team's age group.**
