

MBT "AT-LARGE" APPLICATION (2022)

To be considered for an at-large berth, this application must be filled out completely and returned to the MBT offices along with the proper entry fee. At-Large berths will only be awarded if an **MBT State Tournament** has any openings. At-large applicants will be accepted June 1st to June 20th. It is mandatory to include the proper entry fee, **payable to MBT**, with this application form. Entry fees will not be cashed for applicants who are not selected to play. **Entry fee will not be cashed until the team is awarded an At-large berth.** Teams who submit an At-Large application are expected to play. **Teams WILL NOT be given the option to decline the berth or a refund issued if your team is awarded the At-Large berth.** If your team qualifies at an MBT Qualifying Tournament, your At-large check will be transferred over to the **Entry Form once we receive it from you.** There is a \$150 Gate Fee paid directly to the Host Community at the time of Check-in before your first game.

The At-Large teams chosen based on:

- MBT Qualifying Tourney placement (top 4).
- Tournament record.
- Tournament Placement in conjunction of other At-Large
- League Record in conjunction of others At-Large.
- There is no guarantee that you will be selected, just because you had your application in before others.

Once these factors have been considered the At-large team is contacted. They then will be emailed their MBT State Tournament roster/waiver form.
