

August Classic Tie Breakers

Pool Standings are determined by W-L-T Record (Win Pct.) in all Pool Play games.

When 2 teams tie for a position:

- 1) Head-to-Head Record
- 2) Fewest runs allowed in all pool play games
- 3) Run Differential against in all pool play games. (Maximum plus or minus 10 runs per game)
- 4) Coin Flip

When 3 or more teams tie for a position:

- 1) Head-to-Head Record (Only applicable if all tied teams have played each other)
- 2) Fewest runs allowed in all pool play games.
- 3) Run Differential against in all pool play games (Maximum plus or minus 10 runs per game)
- 4) Coin Flip

If more than 2 teams are tied, please use examples below:

Example #1: If no teams are tied AFTER applying tie breaker #1 as in:

Team A = 8 runs allowed Team B = 10 runs allowed Team C = 11 runs allowed

Then Team A is the #1 seed in the pool, Team B is #2, and Team C is #3.

Example #2: If two teams are tied AFTER applying the tie breaker #1 and determining the #1 Seed as in:

Team A = 8 runs allowed Team B = 12 runs allowed Team C = 12 runs allowed

Thus, team A is #1 seed and the #2 seed is determined by the head-to-head between Team B and Team C.

Example #3: If two teams are tied AFTER applying the tie breaker #2 and determining the # 3 Seed as in:

Team A = 11 runs allowed Team B = 10 runs allowed Team C = 10 runs allowed

Thus, team A is #3 seed and the #1 seed is determined by the head-to-head between Team B and Team C.

Any forfeits will be recorded as 6-0 for six inning games & 7-0 for seven inning games.

(Tie is ½ win & ½ loss)
