

How to See Who Has Not Paid

As a head coach, making sure all of the players have paid is very important to ensure that your entire roster is eligible to play.

Coaches are able to view the people who have and have not paid to help with this. In order to find this, start by going to the MBL website, www.mbl.bz Then, make sure you are logged into your account.

Next, click onto your team below the top menus of the website. This will show your team roster.

Refer to the screenshot. Click on the arrow next to “Players” and there will be an option called “Player Payments”. By clicking on this, you will know which parents to contact to get their child paid for.

The screenshot shows the MBL website interface. At the top, there is a navigation menu with links for People, Maps, Calendar, Contact Us, and Help. Below this is a search bar and a user profile section with 'Sign Out' and 'Switch' options. The main navigation bar includes 'Home', 'MBL', 'MBT', 'August Classic', 'Fall League', and 'Comm/Rec'. A secondary menu below it lists 'Home', 'Register', 'Charitable Gambling', 'Marketing', 'Sponsor Info', 'Newsletter', and 'Twins Tickets'. The main content area is divided into several sections: 'Season: 2022 MBL Fall League', 'Division: 14 AA/AAA', 'Providing Own Uniforms: True', and 'Association: [redacted]'. Below this is a 'FIELD AVAILABILITY DATES' table with columns for 'Date' and 'Field'. The 'Date' column lists dates from 9/11/2022 to 10/9/2022, and the 'Field' column contains redacted information. To the right of the table is a 'COACHES' section, a 'TEAM MANAGERS' section (showing 'No Team Managers'), and a 'Roster: Print Export' section. The 'PLAYERS' dropdown menu is open, showing options: 'Add Player', 'Edit Players', 'Player Payments' (highlighted), and 'Select Players from Previous Rosters'. Below the dropdown are links for 'View Roster to Coaches', 'Send Roster to Team', and 'Send Email to Team'. At the bottom, there is a 'PITCH COUNT / INNINGS PITCHED' section with a table for 'Player Name' and 'No Innings Pitched Reported', and a 'TEAM CHANGE HISTORY' section with columns for 'Date Modified', 'Modified By', 'Change Type', and 'Person'.
