

Paying for August Classic

When your child has been added to an August Classic team, you will receive an email notifying you of the assignment. This email includes links to the payment page, and a link to the user registration page, if your child has not yet created an account.

1. Open the assignment notification email. Click on the link to pay for your registration.

2. Fill out the form on the payment page and click the “Pay” button.

3. If your child does not have a user account, you can also create an account for them by clicking the registration link in the email and filling out the registration form.
